The image shows a standard European energy label for a water heater. It features the EU flag, the word 'ENERG' with its Greek and Russian equivalents, and the model name 'HOTTO QWC01'. A tap icon indicates 'XXS' capacity. A scale of energy classes from A to G is shown, with a black arrow pointing to class 'A'. A sound power level of 15 dB is indicated with a speaker icon. The annual energy consumption is 481 kWh/annum. The label also includes the year 2015 and the standard number 812/2013.
