The image shows a standard EU energy label for a water heater. It features the European Union flag, the word "ENERG" in large letters, and its translations in Greek (ενεργεια) and Cyrillic (энергия). The model name "HOTTO" and "QWC01/QWC02" are prominently displayed. A tap icon with "XXS" indicates a small hot water tap. The energy efficiency scale ranges from A+ (green) to F (red), with a black arrow pointing to class "A". A sound power level icon shows a house with a speaker and "15 dB". The annual energy consumption is "498 kWh/annum". The label is framed by a blue border and includes the year "2017" and the standard "812/2013".
